

Disaster Management Plan

Srivaikundam Taluk

The following fishing villages are coming under Srivaikundam Taluk.

1. Pazhayakayal
2. Ratchanyapuram

Cyclone warning received from Meteorological Centre will be disseminated to the fishing villages through the concerned fishermen co-operative society. The damage assessment will be done by the Fisheries Department for the damaged fishing crafts and implements owing to Tidal waves and floods and action will be taken to provide relief for the damages. Action will be taken in search of missing fishermen in coordination with the Indian Coast Guard and the Coastal Security Group.
